

# Attention Parents

For our incoming seventh graders....It is vitally important that you take care of the MANDATORY immunization that is required by the state before the first day of school.

## **Seventh Graders need the following immunizations:**

- Documentation of the Completion of the Hepatitis B Series
- Documentation of the completion of the two doses of Measles Vaccine (MMR)
- A new Tetanus-Diphtheria-Pertussis Booster shot (TDP or TDaP )

Section 1003.22 (10a) of the Florida Statutes does not allow seventh graders to attend school with incomplete immunization documentation. Please do not call our registrar and ask for an extension. She cannot by law allow your child to attend school without the immunization paperwork from your doctor. Please contact your pediatrician to schedule an appointment or contact your local health center for a schedule of free immunizations for families that qualify.

## Forms:

A Blue Florida Certificate of immunizations (680) is required for enrollment. The 680 can be obtained from the Broward County Department of Health or a Private Physician
