

## ***Walker Permission Form 2011-2012***

Dear Parent / Guardian:

Because many of our older students will be walking to and from school, we need your assistance to ensure their safety. All students who will be walking home, or leaving the building on their own, must have written permission from the student's parent or guardian.

Please fill out the form below, or send in a letter stating that you give your child permission to sign out and leave the school. Please state whether or not this permission is for specific days, until further notice, or for the remainder of the school year. *Students in Grades K-5 cannot sign themselves out without an older sibling.* Students will not be allowed to leave the school without written permission.

All walking students will report to the first floor front desk to sign out with the designated teacher. Each student is required to sign out daily in the "Walker Book" so that their signatures, along with time they are leaving, are on record. The teacher will then stamp their hand. (Please check to see if your child's hand is stamped daily to ensure they are following this safety procedure.) Students will then exit the building through the main school doors where their hands will be checked by another teacher. Students will not be allowed to re-enter the school once they have signed out. *Students who do not follow these rules will have their walking privileges revoked and parents will then have to pick them up via car rider or parent walk-up.*
