Re: Mandatory Summer Reading 2018

Hollywood Academy believes in the importance of reading to strengthen fluency, vocabulary, phonics, and comprehension throughout the summer. Therefore, Summer Reading Assignments are once again upon us.

For the 2018-2019 school year, it is ***mandatory*** that all students enrolled prior to July 13:

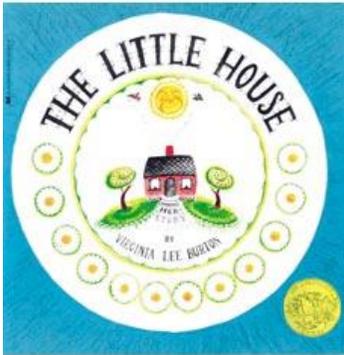

- Read the ***Required Summer Reading book*** for his/her entering grade level
- Read a second book of his/her choice at grade level
- Complete book reports for each book with parent/guardian assistance
- Book Reports will be collected the first week of school.

Your child has the opportunity to start working on their 2018-2019 Reading Treasures goal over the summer. The goal for each child is to read 50 books over the course of the school year. Your child **MUST** complete a book report for every book. You can use the Summer Reading Book Reports or the Reading Treasures Book Reports for the grade level your child is entering. You may go online to Edmodo if you need additional copies of both reports.

Have a great summer!

The Little House *By Virginia Lee Burton*

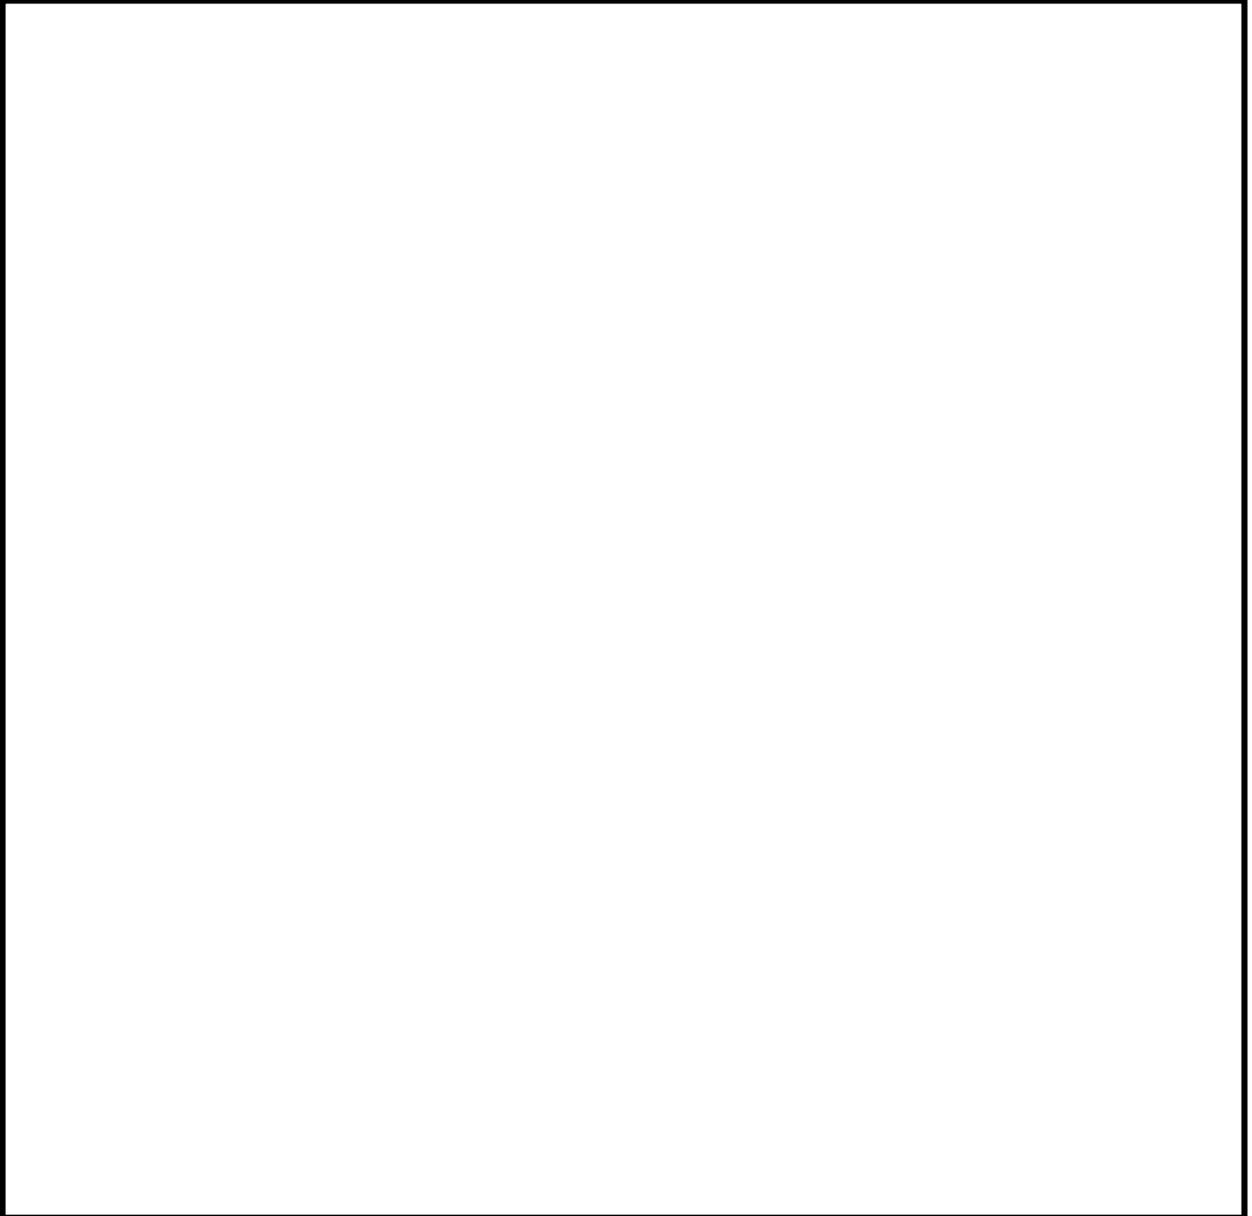

Once upon a time there was a pretty little house in the country. The little house watches the city slowly being built around it. Before long, the house notices roads, apartment buildings, trucks, and steamrollers all around it, tearing down the beautiful country scenery. The family who owned the house moved out and the little house finds itself alone in the middle of a fast-paced, big city. One day, a woman notices the house and realizes it doesn't belong. So she moves the house back out to the country, where the house belonged. For generations, young readers have enjoyed the drawings and happy endings of Burton's Caldecott-winning story (Booksamillion.com).
