

Dress Code: Uniform Policies and Guidelines

A higher standard of dress encourages greater respect for individuals, students and others, and results in a higher standard of behavior. As a result, the students at HAAS will be expected to wear school uniforms and follow the dress code as set forth in this written policy. Furthermore, the faculty at HAAS is mindful of the fact that the uniform needs for the Elementary school students may differ from those of the Middle School students.

As times change, so may the policies and guidelines as they relate to the uniform requirements at HAAS. Therefore, it is anticipated that this policy may be amended, altered and changed throughout the years. It is expected that any changes will be first addressed by interested members of both the faculty and parents, and then brought before the SAC for approval, with final approval being made at the HAAS Principal's discretion. This policy will attempt to distinguish between Elementary School students and Middle School students wherever differences are applicable. In the absence of a specific indication that a policy applies to either Elementary School students or Middle School students, it shall be assumed that the policy applies equally to both.
