

Afterschool Enrichment Grades 3-6

Art Class - Be Inspired!

Wednesdays 3:30 – 5:00 (Limit 10 students)

Be inspired by a famous artist, and then create your own unique masterpiece!

Each week features a famous modern or contemporary artist. Students will learn about the style of art that artist is known for by viewing and discussing several examples of his or her work and identifying the various elements of art used in a particular work.

Then students will create a piece of art inspired by the artist! We will be working in various mediums, including watercolor, oil pastels, pencil, chalk, crayons, and paper (collage). The goal is to have each student complete a project in one afternoon. Get ready to display the amazing art your child will create!
