Film Club Permission Slip to Watch PG-13 Movies

By signing below, I hereby give permission for my child to watch the films viewed by the film club. These films will range from rated G to PG-13.

Without this permission slip, students will not be able to view the movies. If I have any questions about this policy, I can contact Ms. Navarro, the Film Club Advisor at anavarro@hollywoodcharter.org.

I understand that my child will be watching films as described above with the Film Club. I ensure that he or she will abide by the rules for such viewing or forfeit future ability to participate in club activities. Moreover, I understand the club meets after school on Wednesdays and Fridays from 3:30-4:30pm.

Curricular Connection: All films selected for club viewing will be utilized to introduce and teach the art of film making. By viewing the films, students will be able to better understand the film making process, and elements required to create ground breaking movies. The films will also give students a chance to connect literature to screen, while analyzing how different themes are presented and developed through different mediums.
